

**Protest Meeting at
Eircom HQ (near Heuston Station)
Tuesday 3rd March 12.30pm**

STOP EIRCOM'S ISRAEL DEAL!

Eircom plans to award a major contract to Israeli company Amdocs. This is despite the recent murderous Israeli assault on Gaza, which claimed the lives of over 1,300 people, including more than 300 children. Israel has shown a **blatant disregard for international law** and the **norms of civilised behaviour**. Protest against this to show your opposition to Eircom's "**Business As Usual**" attitude.

Organised by **The Irish Anti-War Movement**
