END THE OCCUPATION US TROOPS OUT OF IRAQ & SHANNON

PROTEST IN SHANNON – SAT NOV 13th 1.30PM.

- The criminal US led invasion and occupation of Iraq has cost up to 30 innocent Iraqi lives.
- All the excuses used to justify this war – WMD, links to Al Qaeda – turn out to be lies.
- The US has installed a puppet regime headed up by a former CIA spy, Allawi, who has no support at all inside Iraq.
- US oil companies and corporations like Halliburton are making billions from Iraq's resources while ordinary Iraqis lack electricity, clean water and health care.
- Newspapers that oppose the US/UK occupation and even Al Jazeera TV are banned because they tell the truth about what's happening in Iraq.
- The US has launched savage attacks on cities like Fallujah and Najaf, because they are resisting the US occupation. Missiles, tanks and fighter planes rain death down on residential areas. The US now plans further destruction of these towns and their inhabitants.
- Soldiers from poor backgrounds in the US and Britain are killed every day while the families of politicians who voted for war stay safely at home.
- Innocent people like Margaret Hassan and others taken hostage are paid the price for Bush and Blair's bloody war and occupation.
- Only an immediate end to the occupation of Iraq can stop the killing.

WE MUST DEMAND US/UK TROOPS OUT OF IRAQ NOW!

- The Irish government has now admitted that up to 1000 US soldiers go through Shannon airport every day carrying weapons.
- Bertie Ahern and his government are facilitating the slaughter of innocent Iraqis in an illegal war and occupation.
- The majority of Irish people opposed Bush's war on Iraq and do not want the US military to use Shannon.

TELL BERTIE AHERN – US MILITARY OUT OF SHANNON NOW!

Join the protest on Saturday November 13th at 1.30pm in Shannon Assemble Lidl Car park, Shannon Town Centre.
