

IRISH ANTI-WAR MOVEMENT SHANNON AIRPORT BLOCKADE

SATURDAY 6TH DECEMBER 2PM
ASSEMBLE AT LIDL'S (SHANNON TOWN CENTRE)

- 10,333 US soldiers passed through Shannon Airport in September aboard 411 military flights. Nearly 100,000 US troops have passed through Shannon this year.
- In February, more than 100,000 people marched in Dublin against the US-led war on Iraq and demanded an end to Irish complicity. Tens of thousands have also marched in other urban centres across Ireland. They have been ignored by Fianna Fáil and the PDs.
- Shannon Airport is helping to kill innocent people in Iraq and Afghanistan. Our government has blood on its hands. Enough is enough!
- On Saturday 6th December, ordinary Irish people will take action for themselves by staging a peaceful blockade of Shannon Airport with the intention of disrupting normal business.
- Join this peaceful and legitimate act of mass civil disobedience and make the government understand that ordinary Irish people will not accept the facilitation of the US war machine at Shannon Airport.

Assemble at 2pm outside Lidl's in Shannon town centre.
Buses: Dublin: 087 7955013 · National: 087 1258325
